Little Scarlet Bad Girl

Hachiouji-P ft Hatsune Miku

"Girls are always told to be a good girl so they won't be a bad
And that, that is, I've been trying to abid that

But the truth, the truth is, I love sweet things, and I love bitter things as well. I'm selfish.

And I've found **something** that I want, that I don't mind throwing away the vow to get it"
